Philosophy

Our aim is to inspire a desire to learn and to continue to facilitate the development of each child's unique abilities in a loving and creative environment. We believe that preschool children should have ample time to imagine, play and explore the world around them. Learning through movement, song, drama and creating are not only beneficial to the early development and growth of children, but it is fun!

The children are a part of a program, which fosters their physical, intellectual, emotional, and social development.

Special Note - All students in Session 2 will participate in the year-end DANCE RECITAL. Costumes will be purchased in retail stores or through one of DanceCo's costume suppliers.

Communication

Communication between parents and Happy Heart staff is very important. A Monthly Calendar, including special helper days and important events will be posted at school as well as emailed to parents. Your teachers email address will be shared with you so that you may report any absences.

Please inform us via email to info@danceco.net of any allergies and medical conditions

Toilet Trained

It is required that all children enrolled in Happy Heart Playschool be toilet trained. Teachers will help when needed but students cannot come to school in diapers.

Daily Routine

Our classroom routine begins with free play, welcome songs and introductions. We also incorporate a discussion about the calendar and weather with emphasis on listening, sharing, speaking and taking turns as the teachers and special helper leads us through these activities. Both story time and art time relate to our theme and phonetic and printing work on the letter of the week. Snack and arts-based movement will culminate our day.

Housekeeping Items

- Each child will have a coat hook for his/her backpack and coat.
- Please leave a nutritional snack and a water bottle in your child's backpack each day. ***All snacks must be peanut/nut free.***
- Please leave outdoor footwear on the shelves in the front foyer of the studio.
- Please bring your child clean indoor shoes OR ballet slippers to put on at the studio.
- Please leave an extra change of underwear, socks and pants in your child's backpack in a labelled Ziploc bag.
- Please take your child to the washroom prior to class starting.

Picture Days

Individual and class photos will be taken in the Fall. We will also be taking dance photos in our year end costume in May.

Safety

Parents/guardians must be in control of their children during arrival and departure. During departure, children are not to leave the preschool until their parent or guardian leaves as well. Children are not permitted to go outside unattended.

Special Helper Days

On this day they may wear their favorite outfit, bring a favorite toy or book to share with the class. Children will be encouraged to share their creations and ideas during center time as well; this will be one of many opportunities to share with classmates. This is a SPECIAL DAY for the children, and they are always very excited to be the special helper! If it is your child's birthday, your child will be the special helper.

Birthday Treats

You are welcome to bring a treat to share with the entire class on your child's birthday. Please consult with your teacher on any allergies that may exist in your child's class. Please note that this is entirely optional, should you choose to do this on your child's birthday.
